Headings	48 point is suggested 60 point maximum	Title Case	Headings such as "Introduction", "Methods", "Results", "Discussions" and "Conclusions" are useful.
Content	24-28 point 32 maximum Single spaced	Upper and Lower Case	The text should be brief throughout. Any description of methods should be simple and concise.

DECLARATION OF INTEREST

All financial support for the work and collaboration must be acknowledged as part of the presentation.

LANGUAGE

Please note that the official Conference language is English. **All posters must be made in English.**

GENERAL ADVICE FOR FIRST TIME PRESENTERS

- The message that your poster contains should be clear and understandable without a requirement for oral explanation. Methods should be presented simply and concisely.

- Handouts can be very useful, however please note that these cannot be placed on the floor for safety reasons. If handouts or poster packaging is found on the floor the Conference Managers will remove it. If you wish to supply handouts you must hand these to delegates personally or provide a holder that can be attached to your poster board with Velcro.
- After the title, the two most important panels are the Introduction and the Conclusion. On the basis of these two panels, a reader will decide whether to consider the poster details and perhaps talk to the presenter. These panels need to be very simple, concise and visually attractive.
- Results should be presented graphically if possible. Avoid large tables of data.
- Use pictures, symbols and colour. Figure legends are essential and should be short but informative. Each graph should have a short heading. For visual effect, we recommend that graphs be no smaller than 12cm x 18cm.
- A matt finish on photographs gives better visibility. Photographs should be no smaller than 12cm x 18cm.
- Use the space to attract your audience for discussion, not to present complex details of methods and results.
- We strongly recommend you do not use fabric posters, as these do not adhere well to the display boards.

The registration desk will have limited Velcro dots available for poster presenters, it is recommending that you bring your own Velcro to attach your poster to the poster boards - the use of pins to secure posters is not effective as the poster boards are covered in a felt material.
